

GENERAL WRITING TASK 1

10. Your local community is organizing a charity event, and they are seeking volunteers. Write a letter to your neighbours encouraging them to participate in the event.

Dear Neighbours,

My sincere prayer is that you are in excellent health and in a positive frame of mind. In this letter, I would like to bring to your attention an upcoming charitable event that will be held on [date] and will be organised by our local community. I would want to encourage each of you to give some thought to taking part in this event because the success of this event is dependent on the help of volunteers.

By participating in volunteer work, we not only have the chance to give something back to our community, but we also have the chance to connect with our neighbours and make a positive impact on that community. Whether you are able to devote a few hours of your time or participate in a particular activity, the impact that you make will be significant.

Let's work together to ensure that this event is a success and to demonstrate the power of our community spirit. It is my hope that many of you will be present at the event.

Sincerely, yours,
