

GENERAL WRITING TASK 1

4. You have recently moved to a new apartment. Write a letter to your neighbour introducing yourself and expressing your desire to get to know them.

Dear Neighbour,

I pray that you are well and alive when you receive this letter. I recently moved into the flat next door, and my name is [Your Name]. I am quite excited to be here. I'd want to take this opportunity to provide a brief introduction of myself and to convey my enthusiasm about being a member of this community.

When it comes to having a great living experience, I believe that having a neighbourhood that is nice and helpful is quite necessary. To have the chance to get to know you and the other people that live in the building would be a wonderful experience for me. Is it possible that we may schedule a time to get together for a cup of coffee or a casual conversation in the common area?

It is my hope that I will have the opportunity to make relationships and make a contribution to the sense of community that exists here. Please don't hesitate to get in touch with me if you have any inquiries or if there is anything that I can do to be of assistance to you.

Sincerely, yours,

[Your Name] [Your Name]
